QuickPay CRT Series 2

Creating a great gaming floor that will keep customers happy, engaged and coming back takes a lot of time and effort. A floor not only has to look good but must be functional and deliver an exceptional experience to your customers.

A CRT is an integral part of any gaming room and an important touch point for your gaming patrons.

Banktech is continually striving to deliver CRTs that not only deliver a great customer experience every time, but also enhance and complement the look of your venue.

The NEW QuickPay CRT S2 is available as either a 15" or 27" touchscreen and sets the new industry benchmark for both looks and reliability.

Greater reliability

The QuickPay CRT S2 incorporates the newly released NCR S2 cash dispenser. Fully re-designed by NCR Corporation, the world's leading cash technology provider, the S2 dispensing module delivers exceptional performance across a range of key metrics.
